Text art copy and paste dirty

Discover impressive text images, also called ASCII text arts, for your iPhone, iPad, Android or any other mobile. Designed to be the best on iPhone.  Draw ASCII Art as in Photoshop  Draw Your Own Art ASCII  Draw your own ASCII art Text Art, also known as ART or Keyboard Art is a digital art form capable of copying and pasting. It's about making textual images with text symbols. As we now live in information societies, I bet you've already encountered these painted photos ASCII somewhere on the Internet. You can copy and paste art to WhatsApp, Facebook, Instagram and in all comments, chats and forums. I noticed that visitors to my site as clever text images. People have put text images consisting of symbols in the comments on my pages since the first FB comment box was the source of my site years ago. I actually deleted this Facebook comment box after a while because it took as long to load as the whole page without it. So I decided to make a collection of this cool art ASCII. And unlike most things I decide to do, this one I actually finished.  I started collecting them from your comments and profiles. I, too, searched the net a bit, but I found just some good ASCII art photos that work on Facebook. Right now, there's more, as a lot of people actually copied some to their websites from  The majority of ASCII art images here were submitted as comments by FSymbols creative visitors just like you. Maybe, exactly you, or your friends. If it's not them, then say friends of your friends your 2 times - it's them. I've improved some of the art to look even better. Thank you, everyone! Note that the text photos were made to look good in Lucida Grande, Tahoma and Verdana fonts, which are by default on Facebook. Tool to easily and quickly draw simple text images (text art) of your own. Paint your own beautiful text image. You can then use it on Facebook, Twitter or anywhere else on the web.
